## The Toweltronic & Wastecare combination

The Wastecare wall bin offers many innovative features designed to enhance quality and improve washroom hygiene and waste paper management. New liners are conveniently stored in the bin base, the neck area is removable for cleaning, and a manual waste compactor is included.

- Hands-free paper towel dispensing
- More cost effective than free flowing dispensers
- Reduces waste build up within the washroom
- Less filling required
- Adjustable paper length
- Side view windows
- Soft Absorbent paper towel
- Stub roll delivery capability
